## **\$130,000 in Grant Funding Awarded to Area Non-Profits**

Sioux Falls, SD – Sioux Empire United Way recently awarded \$133,113 in grants to several area non-profits. Grant amounts ranged from \$4,000 to \$35,788. Grant funding is awarded specifically to new or expanding programs.

“Our community has many emerging and new needs,” said Rick Hull, Sioux Empire United Way Community Impact Chair. “United Way has a history of providing grant funds to programs that are being developed to serve unmet needs in our community.”

Ten area non-profits received grant awards. The fund will be used for programs that range from housing for homeless families to vehicle repairs for low-income households to counseling for children who are experiencing grief.

Sioux Empire United Way partners with non-profit programs in Lincoln, McCook, Minnehaha and Turner Counties.
